-- Audio Sale Extended

The negotiations for the transfer of our audio library to England are not completed at this time. We therefore extend the "January" sale until further notice. Each CD is only \$9 before shipping** (extension doesn't apply to cassettes).

-- An Inexpensive Rave I'Ching

Our popular edition of the Rave I'Ching is now available in an inexpensive black-and-white version for just \$18.** Here's Ra in his foreword: The Rave I'Ching was always meant to stand alone both practically and for highlighting the magic of the lines. In this edition it has found its proper form. The beautiful color version is still available for \$48.**

To order visit <http://shop.humandesignsystem.com>
